Date Mailed: 07/12/2007

NOTIFICATION OF DEFECTIVE RESPONSE

The following items have been submitted by the applicant or the IB to the United States Patent and Trademark Office as a Designated / Elected Office (37 CFR 1.495)

- Indication of Small Entity Status
- Priority Document
- Copy of the International Application filed on 04/12/2006
- Copy of the International Search Report filed on 04/12/2006
- Preliminary Amendments filed on 04/30/2007
- Information Disclosure Statements filed on 04/12/2006
- Biochemical Sequence Diskette filed on 04/30/2007
- Oath or Declaration filed on 04/30/2007
- Biochemical Sequence Listing filed on 04/12/2006
- U.S. Basic National Fees filed on 04/12/2006
- Assignment filed on 05/01/2007
- Priority Documents filed on 04/12/2006

Applicant's response filed 05/01/2007 is hereby acknowledged. The following requirements set forth in the NOTIFICATION of MISSING REQUIREMENTS mailed 03/08/2007 have not been completed.

The following items **MUST** be furnished within the period set forth below in order to complete the requirements for acceptance under 35 U.S.C. 371:

- Oath or declaration of the inventors, in compliance with 37 CFR 1.497(a) and (b), identifying the application by the International application number and international filing date. The current oath or declaration does not comply with 37 CFR 1.497(a) and (b) in that it:
 - Signature of the 5th inventor Lokesh Joshi is missing, citizenship of the 6th inventor Alyssa Itch is missing. Applicant is advised that the declaration filed 30 April 2007, does not comply with 37 CFR 1.597(a)-(b) in that contains four separate signature pages. This suggests that the enclosed declaration was constructed from numerous complete declarations or that the inventors forwarded to counsel only the signatures pages of the declaration. Either alternative renders the submitted declaration defective. While each inventor need not execute the same oath or declaration, where individual declarations are executed, they must be submitted as individual declarations rather than

combined into one declaration. (See MPEP 201.03 B. Oath or Declaration.)

Applicant is required to complete the response within a time limit of ONE MONTH from the date of this Notification or within the time remaining in the response set forth in the Notification of Missing Requirements, whichever is the longer. No extension of this time limit may be granted under 37 CFR 1.136, but the period for response set in the Notification of Missing Requirements may be extended under 37 CFR 1.136(a).

Applicant is reminded that any communications to the United States Patent and Trademark Office must be mailed to the address given in the heading and include the U.S. application no. shown above (37 CFR 1.5)
